Syrah 'The Hermit' 2013
Yarra Valley

The History

My father acquired the sobriquet 'The Hermit' in his quest for knowledge and the search for truth and happiness. This name celebrates eating and drinking with friends and family in familiar surroundings. The wine demonstrates a cool climate regional approach and my belief in the potential and intrinsic quality of Yarra Valley Syrah.

The Wine

This radiant, ruby purple coloured 2013 exhibits gorgeously complex aromas of fruit, spice and notes of earth. The silky texture is palate staining and beautifully balanced with persistent flavours. Pure and tightly wound ripe tannins offer a refined and powerful finish. A wonderful example of cool climate Yarra Valley syrah, this wine can be enjoyed over the next 12-15 years.
